What Do You Like Best About The Old Spaghetti Factory?

"Very re-enjoy the food, immensely, and of course, with a fact name like Cabaret, a little bit of good spaghetti. It's the best substitute I've got for our mother's homemade spaghetti." — John Caputo

"For years John would eat out before food empties but of his mother's, to where we came here, he was really quite pleased. The Old Spaghetti Factory was a real transition — an amazing transition for an Italian who thinks that no one can quite cook Italian but his mother." — Celeste Caputo

"On my birthday they bring me ice cream with a candle. And they sing." — Barbara Dietz

"Once we're seated they serve for children right away, so they don't have to wait long. When you take children to a restaurant and they have to wait, believe me, it's no fun." — Barbara Dietz

"Spaghetti." — Laura Harris — 5
