The French have a word for it.

ES-PRIT (es pre) n. [Fr.] Lively, Tasteful, Intelligent, Playful, Romantic, Liberated.

Where you live says a lot about who you are. That's why Esprit Condos appeals to the woman who lives with red esprit.

The Esprit woman identifies with the lively California colors and interiors. A price from only \$63,900 (in Holladay, no less) shows she's intelligent. Tennis, swimming, spa and clubhouse bring out her playful mood. The cozy fireplace and gourmet kitchen accent a romantic evening at home. She's liberated from yardwork with more time to make her prime time count. Self-assured, she insists on a private garage, two bedrooms, view balcony, skylights and a monthly payment she can live with.

Today's busy career woman feels free at Esprit. After all, the French have always had the fast word on living.
