The French have a word for it. ES-PRIT (es pre) n. [Fr.] Lively, Tasteful, Intelligent, Playful, Romantic, Liberated. Here you live says a lot about who you are. That's why Esprit Canada minimum appeals to the woman who lives life with real spirit. The Esprit woman identifies with the lively, California color and interiors. A price from only \$68.90 in Holiday, no less, shows she's intelligent. Tennis, swimming, spa and clubhouse bring out her playful mood. The cozy fireplace and gourmet kitchen accent a romantic evening at home. She's liberated from parades with more time to make her prime time count. Self assured, she insists on a private garage, two bedrooms, view balcony, skylights and a monthly payment she can live with. Today's busy career woman feels free at Esprit. After all, the French have always had the last word on living.
