# Barberi!

By Tom Barberi

TO WHOM FOR PRISON... Barberi, the man who has been... Barberi, the man who has been...

There are those who have... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

Barberi, the man who has been... Barberi, the man who has been...

George Dibble, art critic for The Salt Lake Tribune, thanks the Utah Water Color Society for special honorary citation.

## County Wants to Know About Cuts in Service

Faced with increasing costs... County Commission again wants... County Commission again wants...

## Writer Looks at Lighter Side Of Today's Women's Issues

By Anne Parker

Power ratings are not the only... Women's issues are not always... Women's issues are not always...

Women's issues are not always... Women's issues are not always...

Women's issues are not always... Women's issues are not always...

Women's issues are not always... Women's issues are not always...

Women's issues are not always... Women's issues are not always...

Women's issues are not always... Women's issues are not always...

Women's issues are not always... Women's issues are not always...

Women's issues are not always... Women's issues are not always...
